## LEVEL OF CARE 02

Inpatient programs provide comprehensive care and treatment for adolescents and adults on our campuses.

While inpatient, individuals receive counseling and education, build connections with peers, learn valuable life skills, and begin taking part in 12-step groups, all to foster long-term sobriety.

- Patients live at our facilities 24 hours a day
- Tailored, individualized treatment plans
- Length of stay dependent on each patient

### QUALITY TREATMENT AFFORDABLE CARE

Getting care to be a better, healthier person should not break the bank. We'll work to come up with a plan for high-quality care at a reasonable price.
